

The Feelings Animal Farm

1. Watch the 'Feelings animal farm' video
2. Let's look at the feeling '**Happy**', show your staff your happy face
3. Choose an animal from the '**The feeling animal farm**' pages that matches the feeling of happy
4. My staff will show me a range of coloring pencils and I will choose a colour for happy
5. Turn to '**Cut out feelings animal farm**' page and colour the animal with my chosen colour for happy on the
6. Now lets do the same for **Angry, Excited, Sad** and **Worried**

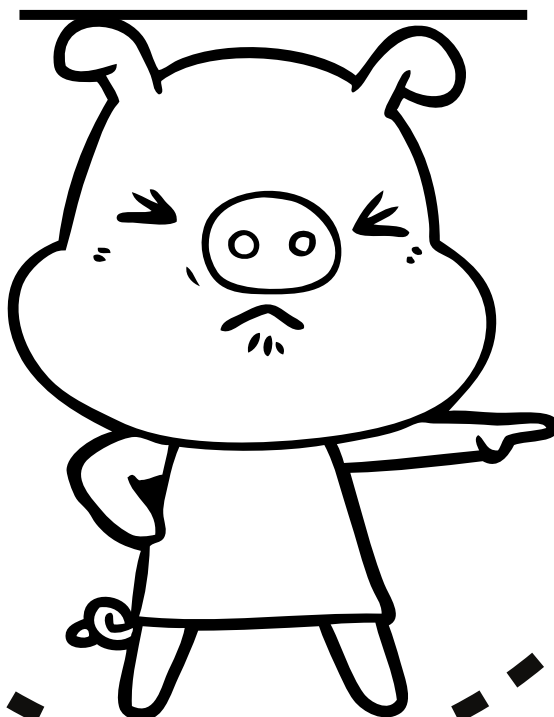

1. Use my feeling chosen colour to colour in my animal feeling and label the feeling above the animal

2. Cut out and stick my animal feeling to the back of the correct emotion faces so that both are matching and visible
